

**"Urgent Need" Proven.**  
Says Senator Penrose  
Washington, Jan. 7.—Declaring that it was "fairly contended" that a real emergency existed, demanding immediate action for the protection of certain American industries, chiefly those of livestock and agriculture, Senator Penrose has announced his purpose to support the Fordney Emergency Tariff bill, and if possible, secure its enactment at the present session of Congress.

At the same time the senior Pennsylvania Senator declared in favor of a modification of the rates provisions of the measure.

The announcement was made at the conclusion of the first public hearing on the bill by the Senate Finance Committee, at which spokesmen for livestock interests gave striking testimony on conditions in that industry.

#### RACE HORSE OWNER HURT IN AUTOMOBILE WRECK

Harrisonburg, Va., Jan. 7.—Jas. M. Kavanaugh, hotel proprietor here and well known race horse owner, is in the City Hospital at Frederick, Md., as a result of injuries received yesterday morning when his large touring car skidded on a grade on the Baltimore Pike, near Frederick, and crash into a smaller car. While he was reported last night to be suffering considerable pain, his injuries are not considered serious.

Mr. and Mrs. Kavanaugh were returning to Harrisonburg, from Baltimore, and were going down Dorsey's Hill when the car skidded and slid off a culvert, at the same time hitting an approaching car. The smaller car was carrying three Hagerstown men, one of whom is reported to have sustained a broken leg. Their car was demolished. Mrs. Kavanaugh escaped with minor bruises.

#### 30,000 YOUNGSTERS VICTIMS OF RICKETS

Of all diseases that are taking a deadly toll among the children of Vienna as the result of under-feeding rickets is proving the most serious and widespread menace. Not less than 30,000 children are suffering from this painful affliction, according to official estimates.

To rescue these through providing proper food, clothing and medical attention that otherwise they cannot obtain the European Relief Council, composed of eight leading American relief agencies, is making a joint appeal for \$23,000,000 for the relief of 3,500,000 destitute and suffering European children.

#### 1,500,000 POLISH CHILDREN SICK.

One million five hundred thousand children in Poland today need medical attention. Their condition has been caused by hunger and want. To save them the European Relief Council is appealing to the people of the United States for \$32,000,000 to carry on relief work in stricken Europe.

One hundred thousand Russian refugees in Poland are absolutely destitute, according to official estimates. The majority of them are women and children. The condition of the latter particularly is pitiful and they will be among the beneficiaries from the \$33,000,000 fund being raised by the European Relief Council, composed of eight leading American relief agencies for a joint appeal in behalf of the millions of little Europeans who can look only to America for the food, clothing and medical care that will make it possible for them to survive the winter.

#### CONTRIBUTOR'S EXEMPT FROM TAXATION.

Contributions to the collection of the European Relief Council for the European children's relief fund are exempt from taxation and may be deducted from income tax returns, according to a ruling that has been made by the office of Internal Revenue in Washington.

## 3,500,000 CHILDREN FACING STARVATION

### Vast Relief Effort Launched by Eight Leading American Organizations to Avert Tragedy.

The most spontaneous as well as the largest consolidation of effort in the history of American relief and charitable organizations has grown out of the disaster which threatens 3,500,000 European children this winter. To the headquarters of every agency that dispenses American money overseas has come one steady cry for months past: the children, most helpless and blameless sufferers in the track of war, will perish by the thousands before next harvest unless America saves them!

When Dr. Livingston Farrand, chairman of the Central Committee of the American Red Cross, returned from a recent trip abroad, his report throbbed with the need of the children. From the feeding-stations of the American Relief Administration throughout eastern and central Europe came letters, cables, pleas of every sort. The Protestant churches sent investigators into after-war conditions and every report breathed the impending tragedy of starving and diseased children. Protestant, Catholic and Jewish, the child life of Europe is threatened with heartbreaking misery.

The European Relief Council, with Herbert Hoover as chairman and the whole power of American charitable thought and effort behind it, has been formed. It consists of Edgar Rickard, representing the American Relief Administration; Dr. Livingston Farrand, representing the American Red Cross; Felix Warburg, representing the Jewish Joint Distribution Committee; Wilbur K. Thomas, representing the American Friends' Service Committee; James A. Flaherty, representing the Knights of Columbus; Dr. C. V. Hubbard, representing the Young Men's Christian Association; Miss Sarah S. Lyon, representing the Young Women's Christian Association; Dr. Arthur Brown, representing the Federal Council of Churches.

It is the purpose of the Council to raise \$33,000,000, in an appeal centering at the Christmas holidays, to the end that the situation regarding child life may be met. In every town and community of the nation, it is hoped, local committees, representing all the co-operating agencies will be formed to secure the vitally necessary funds. Of the amount sought, \$23,000,000 will be used for basic food. For every one of these American dollars the local governments and communities aided will furnish two dollars, in the form of transportation, labor, guards, clerical help, cash contributions, and such food supplies as are locally obtainable. No children receive the free food except after medical tests showing them to be seriously under-nourished. The remaining \$10,000,000 of the fund is just as urgently needed for medical service to the children.

The European Relief Council will do much more than effect economies in the raising of the child-saving fund. It will, with the inspecting forces of eight great agencies, keep a constant eye on the administration of America's merciful gift, in order that there shall be no wastage and no tendency toward pauperization.

#### RICKETS DID THIS.

Before this five-year-old Vienna girl was operated upon in the American Convalescent Home her leg was even more horribly deformed from rickets and she was in constant instead of intermittent pain. Now at least her leg is straight again, and by degrees she is learning to walk. Rickets is the aftermath of under-nutrition, and it is to cut down the harrowing prevalence of such disease as this among the children of Europe that eight American relief organizations are making a joint appeal under the name of the European Relief Council for funds to succor the millions that face a winter of horror. They are the American Relief Administration, the American Red Cross, the American Friends' Service Committee (Quakers), the Jewish Joint Distribution Committee, the Federal Council of Churches of Christ in America, the Knights of Columbus, the Y. M. C. A. and the Y. W. C. A.

## VIRGINIA WOMAN GAINS TWENTY FIVE POUNDS

### Mrs. Harris Says Her Recovery Since Taking Tanlac Proved Big Surprise to Her Friends.

"My recovery since starting on Tanlac has been a surprise to myself and all who knew of my dreadful condition," said Mrs. T. H. Harris, of 627 Gum St., Lynchburg, Va. "About a year ago last October I had a bad spell of influenza that left me in a terribly run-down condition. I could hardly even think about eating and even the little I forced down always gave me indigestion. I had terrible spells of swimming in the head and I had to sit down to keep from falling. I spent days at a time in bed, and even when I was up I was so weak

I just dragged about the house. Nothing helped me and I lost weight until I was almost a skeleton and my family and friends had no hope of my getting well.

"But Tanlac has not only relieved me of these troubles but has built me up twenty-five pounds in weight besides. The first few doses got me to feeling better and now I have such an appetite I can hardly eat enough to satisfy it and nothing ever hurts me. All my aches and pains have left me. I feel like a different person altogether and am so much stronger I can do all my work without any trouble."

Tanlac is sold in Alexandria by Edgar Warfield, Jr., and all good drug stores.
